

10 days of prayer

Lifting peoples who don't know Christ to the Lord this Christmas

Wise men followed the star to discover the perfect saviour

DAY 1 - East Africa

The Faithful Witness team in East Africa serves amongst five million people, less than 10 of whom are Christians. *“Pray the people of this land hear of God’s love and accept his gift of Jesus. May many people believe in Jesus and not perish but receive eternal life.”*

DAY 2 - Mali

Among the Hassaniya people of Mali, known believers can be counted on one hand. In a village of 300 people, where there are no Christians, the Faithful Witness team is preparing a two-day evangelistic celebration. Amid the music, dancing and feasting, pray God will draw people to him in preparation for the ultimate celebration when Jesus returns.

DAY 3 - South Asia

Eight million people live stretched across a desert region of South Asia, where less than 0.02% of people are Christians. As Faithful Witness workers prepare a celebratory event with a gospel-centred drama, pray the community would come with ears to hear and soft hearts to receive the truths shared.

DAY 4 - Northern Nigeria

The Fulani are a majority Muslim, semi-nomadic people group - 20 million of whom live in Nigeria alone. As Faithful Witness workers visit four Fulani villages, providing special gifts for the leaders and others in need, pray for boldness to share God's love in a way that the community can truly understand.

DAY 5 - Middle East

Children with disabilities in the Middle East are often ostracised. Through partnership with a small local church, the Faithful Witness team provides therapeutic care that affirms the dignity of these children, and ministers to their families. As families are prayed for, may the Lord answer in ways that can only be attributed to him.

DAY 6 - North Africa

Most of the 106 million people in North Africa have never heard the name of Jesus, or met a Christ-follower. Today, local believers meet in a building guarded by police. Most locals attending are the only believing member of their family. Pray they will be encouraged as they meet, and as they leave; taking the fragrance of Christ with them, being as wise as serpents and innocent as doves in the communities they return to.

DAY 7 - Central Asia

In a region of Central Asia where 2.8 million people live, only 0.01% call themselves Christians. For more than 20 years, this region has been under strict surveillance, making it nearly impossible for Christian workers to establish an effective presence. However, praise God there has been a new openness to Jesus-followers recently. Pray that God opens hearts and minds and provides opportunities for the gospel to take root.

DAY 8 - Thailand

Ayutthaya is the historic capital of Thailand and a Buddhist stronghold. Pray that as the Faithful Witness team starts reading about the life of Jesus with local children, they would come to know him as their Saviour and King and share him with their families.

DAY 9 - Middle East

Pray with the Faithful Witness team in the Middle East: *“The Christmas Day services at the few different churches are usually packed with majority background people, who come out of interest. It’s an amazing opportunity. Pray that Christ will be preached!”*

DAY 10 - Happy Christmas

Give thanks for the grace of God in sending us his son. Pray that barriers to the gospel message would be broken down in these communities where so few know of the precious gift of Immanuel. Pray to the Lord of the harvest to raise up more workers from the UK to serve as part of Faithful Witness teams, shining brightly for the Lord in places where there are very few, if any Christ followers.
