Preparing to serve overseas is an exciting journey! It is filled with blessings as you meet and share with people, and watch the Lord provide in many different ways. It is also a time with deadlines, budgets, visas, and family pressures.

We know how valuable a bit of green space and a coffee with like-minded people can be. A breath of fresh air!

So Join us. We have saved up some great sessions for you to go through together; where you can talk and think and pray about cross-cultural living and how to face challenges in your diverse teams.

We desire this weekend to be both invigorating and refreshing as you keep going through your pathway to serving our Lord wherever He is taking you...

- Payment

- you will pay for this Orientation Weekend separate from your general Orientation payment, but it will similarly be made through the website:
 - Go to <https://sim.co.uk/support/donate/donate-by-card/>
 - Select "to help a particular ministry" and type **orientation weekend & (your name)** in the field provided
 - We cannot claim gift aid on orientation payments
- You will be emailed by our Orientation organiser on the final amount you will pay for the weekend, no payment is required until you have heard from us. We work hard to keep the costs as reasonable as possible for your budgets, especially for our families. 😊 We have provided a ball-park figure for you until you hear from us for your specific payment amount.

- Transportation

- you are responsible to arrange your transportation to the venue. We will do our best to provide you with information on the options you can choose. *Often you can find this information yourself as many of the venue websites provide this.*
- Nearer the date of the weekend, we can send out an email to the group to put you in contact with one another in case sharing of taxi's or rides can be done – this has been helpful and fun for people in the past!

- Further Information

- ****Once you have completed registration on the website**** you are free to email christiane@sim.co.uk to ask further questions regarding the weekend. (Your mobiliser only has this same information that you do). If you have questions regarding the children's program email cheryl@sim.co.uk
